

22 December 2021

Dear Shareholder

MoneyMe's Extraordinary General Meeting

On behalf of the Board of Directors of MoneyMe Limited (**MoneyMe** or the **Company**), I am pleased to invite you to an Extraordinary General Meeting of shareholders of MoneyMe (**EGM** or **Meeting**), to be held on Tuesday, 1 February 2022 commencing at 11.00am (Sydney time).

The Extraordinary General Meeting has been primarily called to consider a resolution required to give effect to the proposed acquisition by MoneyMe of SocietyOne Holdings Pty Ltd (**SocietyOne**) as announced on 17 December 2021 (**Acquisition**). The passing of the resolution is a condition of the Acquisition. The Meeting will also consider a second resolution to ratify the issue of Warrants issued in November 2021.

I encourage you to read the enclosed Notice of Meeting, including the Explanatory Memorandum, and to cast a direct vote or lodge a directed proxy in advance of the meeting by following the instructions on your Voting Form. Your Voting Form was enclosed with the letter you received advising you of the arrangements for the EGM and how to access the Notice of Meeting electronically.

Your Directors unanimously recommend that shareholders vote in favour of both resolutions to be proposed at the EGM on the basis set out in the Notice of Meeting and Explanatory Memorandum. Each Director who is entitled to vote on Resolution 1 at the Extraordinary General Meeting has indicated that they intend to vote in favour of Resolution 1 in respect of all Shares they own or control, in the absence of a Superior Proposal as outlined in the Explanatory Memorandum.

MoneyMe is focused on ensuring the health and safety of our people and our shareholders. Due to the COVID-19 pandemic, we have decided that this EGM will be held entirely virtually rather than at a physical location. Shareholders may join the virtual EGM via the Online Platform accessible at <https://meetings.linkgroup.com/MME22> (**Online Platform**).

Participating in the EGM via the Online Platform will provide you with similar opportunities as you would have attending a meeting in person. You will be able to vote in real time and ask questions live during the meeting. You will also be able to ask questions via telephone. However, please note that you will not be able to vote by telephone.

Further details on how to participate, including how to vote and ask questions, at the virtual EGM are set out in the attached Notice of Meeting and Explanatory Memorandum, your Voting Form and in our share registry's Virtual Meeting Online Guide (**Online Guide**). The Online Guide contains information about which browsers are compatible with the Online Platform, and about logging in and navigating the site. The Online Guide is available on our website at <https://investors.moneyme.com.au/meetings>.

Thank you for your continued support of MoneyMe and I look forward to your attendance at the virtual meeting.

Yours sincerely,

Peter Coad
Independent Non-Executive Chairman

If more than one joint holder of shares is present at the EGM (whether personally, by proxy, by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

More information about online participation in the Extraordinary General Meeting is available in the Online Guide available on our website at <https://investors.moneyme.com.au/meetings>.

Direct Voting

Alternatively, a Shareholder may vote directly in accordance with the instructions contained on the Voting Form. If a Shareholder who is entitled to vote at the Meeting appoints a proxy, they may specify the way that the proxy is to vote in relation to a Resolution and indicate that the specification is to be regarded as a direct vote. A direct vote will enable Shareholders to vote on the Resolutions considered at the Meeting by lodging their votes with the Company prior to the Meeting (and by the deadline set out in the 'Submission of Voting Forms' section below). Direct voting is another way for Shareholders to exercise their voting rights at the Meeting.

If you cast a direct vote prior to the Meeting you may still participate in the Meeting. If you participate in the Meeting, the Chair has determined that your direct vote will not be cancelled unless you cast a live vote during the Meeting.

Appointment of Proxy

If you are a Shareholder entitled to attend and vote, you may appoint a proxy to attend and act on your behalf at the EGM or to cast a direct vote in advance of the Meeting. A proxy need not be a

shareholder of the Company and can be an individual or a body corporate. You may appoint a proxy either online at www.linkmarketservices.com.au or by completing and submitting a Voting Form prior to the Meeting.

If a Shareholder is entitled to cast two or more votes at the EGM, the Shareholder may appoint one or two proxies. If two proxies are appointed, the appointing Shareholder may specify the proportion or number of their votes each proxy is appointed to exercise. In accordance with Rule 5.11(f)(i) of the Company's Constitution, if no proportion or number is specified, each proxy may exercise half of the Shareholder's votes. If you require an additional Voting Form, please contact the Share Registry on 1300 554 474.

Submission of Voting Forms

To be effective, your completed Voting Form must be received at the Share Registry of the Company no later than **11.00am (Sydney time) on Sunday, 30 January 2022**, being 48 hours before the start of the EGM. An original or a certified copy of any power of attorney under which the form was signed must also be received by this time unless previously provided to the Share Registry. Proxies must be received before that time by one of the following methods:

If you are a Shareholder entitled to attend and vote, you may appoint an attorney to act on your behalf at the EGM. Your appointment must be made by a duly executed power of attorney. The power of attorney (or a certified copy of it) must be received by the Share Registry no later than 11.00am (Sydney time) on Sunday, 30 January 2022, being 48 hours before the start of the EGM.

Corporate Representatives

A body corporate which is a Shareholder, or which has been appointed as a proxy, is entitled to appoint any person to act as its representative at the EGM. The appointment of the representative must comply with the requirements under section 250D of the Corporations Act. The representative should provide to the Company's share registry a properly executed letter or other document confirming its authority to act as the company's representative prior to the EGM. A Certificate of Appointment of Corporate

Representative form may be obtained from the Company's Share Registry or online at www.linkmarketservices.com.au.

Voting and Required Majority

The Resolutions are ordinary resolutions, which will be passed if a simple majority of votes cast on the relevant Resolution are in favour of the relevant Resolution. Voting on each of the proposed Resolutions at this Meeting will be conducted by a poll, rather than on a show of hands. Subject to the voting exclusions, on a poll every Shareholder has one vote for each Share held.

Chair's Voting Intentions

If you appoint the Chair of the Meeting as your proxy, or the Chair becomes your proxy by default, and you do not direct your proxy how to vote on Resolutions 1 or 2, then by submitting the Voting Form you will be expressly authorising the Chair to exercise your proxy on the Resolution. Subject to any voting exclusions or restrictions, the Chair of the Meeting intends to vote all available undirected proxies in favour of each Resolution although the Chair's voting intention in relation to undirected proxies for Resolution 1 is in the absence of a Superior Proposal as outlined in the Explanatory Memorandum.

The Chair's decision on the validity of a direct vote, vote cast by a proxy or vote cast by a Shareholder (including by attorney or corporate representative) is conclusive.

Shareholder Questions

Shareholders will be given a reasonable opportunity during the EGM to ask questions or make comments in relation to the business of the Meeting. Questions may be asked during the EGM either via the Online Platform or via telephone.

Shareholders and proxyholders may ask questions via the Online Platform by typing those questions into the Online Platform. Shareholders wishing to ask questions via the Online Platform will need their SRN or HIN which is printed at the top of their Voting Form. Proxyholders wishing to ask questions via the Online Platform will need their proxy code, which the Share Registry will provide via email no later than 24 hours prior to the EGM.

Shareholders and proxyholders wishing to ask questions via telephone will need to request a personalised PIN before the EGM.

To request a PIN, please contact the Share Registry on 1800 990 363 by no later than **5.00pm on Monday, 31 January 2022**. Dial-in details for the EGM and contact details for the Share Registry are included in the Virtual Meeting Online Guide. Even if you plan to ask questions by telephone, you will still need to log into the Online Platform if you wish to vote during the Meeting.

Shareholders who are unable to attend the virtual EGM or who may prefer to submit questions in advance may do so by logging onto www.linkmarketservices.com.au, selecting Voting then clicking Ask a Question.

To allow time to collate questions and prepare answers, please submit any questions by **5.00pm (Sydney time) on Monday, 31 January 2022**. Questions will be collated and, during the EGM, the Chair will seek to address as many of the more frequently raised topics as possible. However, there may not be sufficient time available at the EGM to address all topics raised. Please note that individual responses will not be sent to Shareholders.

Conduct of Meeting

MoneyMe is committed to ensuring that its Shareholder meetings are conducted in a manner which provides Shareholders and proxyholders who attend the meeting with the opportunity to participate in the business of the meeting in an orderly fashion and to ask questions about and comment on matters relevant to the business of the meeting or about the Company generally. MoneyMe will not

allow conduct at any Shareholder meeting which is discourteous to those who are present at the meeting, or which in any way disrupts or interferes with the proper conduct of the meeting. The Chair of the Meeting will exercise his powers as Chair to ensure that the Meeting is conducted in an orderly and timely fashion, in the interests of all attending Shareholders.

In the event that technical issues arise during the Meeting, MoneyMe will have regard to the impact of those issues on Shareholders participating and casting votes online and the Chair of the Meeting may, in exercising his powers as Chair, issue any instructions for resolving the issue and may continue the Meeting if it is appropriate to do so.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to assist Shareholders to consider the Resolutions set out in the Notice of Meeting. It forms part of and should be read in conjunction with the Notice of Meeting. The Board recommends that MoneyMe Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

The Board also recommends that MoneyMe Shareholders read in full the following ASX Announcements (including any accompanying Investor Presentations) released by the Company before making any decisions in relation to the Resolutions:

- the ASX Announcements dated 17 December 2021 in respect of the Acquisition; and
- the ASX Announcement dated 27 September 2021 in respect of the Warrants.

Terms and abbreviations used in this Notice of Meeting and Explanatory Memorandum are defined in the Glossary contained in this Explanatory Memorandum.

1 Overview of Proposed Transaction

1.1 Background

The Company is proposing to acquire SocietyOne Holdings Pty Ltd ACN 150 963 723 (**SocietyOne**). The acquisition will be effected by MoneyMe Limited ACN 636 747 414 (**MoneyMe** or the **Company**) acquiring all of the shares on issue in the capital of SocietyOne (**Proposed Transaction** or **Acquisition**) in consideration for the issue of MoneyMe shares (**Scrip Consideration**) or cash consideration (**Cash Consideration**), as elected by the SocietyOne Shareholders but so that SocietyOne Shareholders holding no less than 92.5% of all SocietyOne Shares elect to receive MoneyMe Shares under the Proposed Transaction.

The Acquisition was announced to the ASX on 17 December 2021. To implement the Acquisition, the Company and SocietyOne entered into a merger implementation agreement on that date (**MIA**). A summary of the terms of the MIA is set out in section 2.1 of this Explanatory Memorandum.

Under the Acquisition, the Company will issue MoneyMe Shares (**Consideration Shares** or **Scrip Consideration**) to those SocietyOne Shareholders who elect to receive MoneyMe Shares in exchange for their shares in SocietyOne. The final number of Consideration Shares to be issued will depend on the elections made by the SocietyOne Shareholders, but will be no less than 69,593,540 MoneyMe Shares (assuming elections are made in respect of 92.5% of the total number of SocietyOne Shares on issue) and no more than 75,236,259 MoneyMe Shares (assuming elections are made in respect of all of the SocietyOne Shares on issue). As at 17 December 2021, being the date of announcement of the Acquisition, elections to receive Scrip Consideration have been received in respect of 78% of the total number of SocietyOne Shares on issue.

The issue by MoneyMe of the maximum number of Consideration Shares would represent approximately 30.5% of MoneyMe's total issued Shares immediately following completion of the Acquisition¹. MoneyMe intends to announce to ASX the final number of MoneyMe Shares to be issued under the Acquisition once that information is known.

¹ This assumes that no other securities are issued by the Company before Completion.

The Consideration Shares will be issued on the basis that they rank equally in all respects with the other ordinary shares in MoneyMe on issue when the Consideration Shares are issued. Application will be made for quotation of those Consideration Shares on ASX.

If Completion of the Proposed Transaction occurs, SocietyOne may nominate a person to become a director of MoneyMe.

There is only one Resolution which needs to be considered and passed by Shareholders at the Extraordinary General Meeting to permit the Company to proceed with the Acquisition, being approval of the issue of the Consideration Shares for the purposes of ASX Listing Rule 7.1 (the **Resolution**). If the Resolution is not passed, the Company will not be able to proceed with the issue of the Consideration Shares and the Acquisition cannot be completed.

1.2 Strategic Rationale for the Acquisition

Based on the MoneyMe Share price of \$1.76 as at the close of trading on ASX on 16 December 2021 and assuming all SocietyOne shareholders were to elect to receive MoneyMe Shares, the Acquisition implies an equity value of approximately A\$132 million for SocietyOne and is expected to be accretive to the Company on a revenue per share basis in FY23, based on the market consensus FY23 revenue forecasts of equities research analysts covering MoneyMe. The Acquisition builds on the Company's strategy and the Board believes that potential advantages to Shareholders of the Company proceeding with the Acquisition are as follows:

- (a) **Significant operating leverage through increased scale:** the transaction is expected to create a leading integrated digital lending business and unlocks operating leverage from operating the businesses on one platform;
- (b) **Material cost synergy opportunity:** significant cost synergies identified by removing duplication across functions, systems, premises and processes;
- (c) **Large revenue synergy opportunity:** to penetrate SocietyOne's unique and high quality customer base with MoneyMe's more diverse product suite and improve SocietyOne customer experience (reduce time to fund from ~1-2 days to ~1-2 hours);
- (d) **Unlocks new distribution opportunities:** the transaction expands MoneyMe's network of brokers who write loans on behalf of MoneyMe, provides access to SocietyOne's credit score tool which is a source of new customers leads and also provides potential other new products as part of SocietyOne's banking-as-a-service partnership with Westpac Banking Corporation; and
- (e) **Leverage power of combined data:** increase revenue and improved credit risk management through advancements in credit underwriting, artificial intelligence, marketing and customer behaviour analysis.

1.3 About SocietyOne

SocietyOne is an Australian based, digital finance platform that provides unsecured and secured personal loans, alongside supplementary financial products such as a credit score tool and a banking as a service product. SocietyOne's mission is to provide a better deal to borrowers and investors. SocietyOne has a "lending led" ecosystem focused on acquiring quality customers via branded marketing activities which leverage existing strong media partnerships. Since commencing operations in 2012, SocietyOne has helped over 75,000 customers and arranged over \$1 billion in loans.

SocietyOne's unsecured loans ranging from \$5,000 to \$50,000 and secured personal loans of up to \$70,000 are used by customers for a variety of purposes, including debt consolidation, motor vehicle purchase, home improvements, major purchases such as for household goods, or for personal experiences such as weddings, education or holidays. SocietyOne is also launching an Auto loan product, expanding its loan offerings to customers and entering the large auto financing market.

SocietyOne tailors customer pricing to the individual’s circumstances such as borrowing history and loan amount, with the objective of offering customers a better interest rate than they would likely get from a major bank. Personal loan customers receive an interest rate of 4.95% p.a. to 19.99% p.a. based on their credit worthiness, with new customers paying an interest rate of 12.40% p.a. on average.

In February 2020, SocietyOne launched their credit score product driving customer engagement with the SocietyOne brand and amplifying lead generation through connecting SocietyOne with customers who may be in the market for a personal loan, or eligible for one in the future. The launch of the credit score product has increased overall traffic to SocietyOne's website and led to strong growth in the overall number of customers serviced.

Additionally, in February 2021, SocietyOne announced a partnership with Westpac, to provide customers with access to banking products with the aim of building longer, deeper relationships with those customers. This service is intended to provide an anchor to extend customers offerings with expanded products and services, like mortgages, over time.

SocietyOne’s growth trajectory is built on scaling digital acquisition and improving conversion of customers visiting the SocietyOne website. At the core of SocietyOne’s growth strategy is the provision of enhanced customer experiences, broadening the products and services offered to customers, expanding its broker distribution channel and transitioning to a warehouse-led funding model to generate higher margins, facilitate more competitively priced products and, ultimately, provide better returns for SocietyOne.

SocietyOne’s products and services are provided through a simple digital application process, which uses cloud-based technologies to lower the costs associated with traditional financing services and speed up customer approval and time to funding.

SocietyOne’s service experience delivers strong customer satisfaction, demonstrated through a number of measures, including an approximately 67 customer NPS, 4.7 stars on ProductReview and 4.7 stars on Google. A recent YouGov brand study commissioned by SocietyOne shows that SocietyOne’s prompted brand awareness is 1.9-2.7 times higher than its peers.

1.4 Combined Group information

The following table provides a pro forma analysis of the Company assuming completion of the Acquisition:

Metric	(1) Company	(2) SocietyOne	(1) + (2) Pro Forma
Loan Originations (last 12 months to Nov-21)	639	278	917
Gross receivables (Nov-21)	542	392	934
1Q FY22 gross revenue ¹	23	14	37
1Q FY22 gross revenue annualized (being 1Q FY22 revenue multiplied by 4) ¹	92	54	146
FY21 revenue	58	50 ³	108
FY21 cash NPAT ^{2,3}	12	3	15

Notes:

1. SocietyOne's financials have been shown on a pro forma basis including interest income, fee income, impairment expense and interest expense on loans originated by SocietyOne but funded off balance sheet under SocietyOne's discontinued peer to peer funding program. For the purposes of the pro forma financials, the interest and revenue of the peer to peer loans has been added as part of SocietyOne revenue and management fees earned by SocietyOne for managing the peer to peer loans have been deducted. The intention is to illustratively show the income statement under a scenario whereby all of the SocietyOne loans had been funded by SocietyOne on balance sheet as if the transition from peer to peer funding program to all loans being funded on balance sheet had already been completed. The peer to peer funding program has been discontinued, with the existing peer to peer loans in run-off and now all new loans originated by SocietyOne are funded on balance sheet.
2. Defined as statutory net profit after tax (NPAT) adjusted to remove non-recurring expenses and an adjustment to use actual losses rather than the AASB 9 based impairment expense
3. SocietyOne's FY21 NPAT on a statutory basis was (\$10m) which included (\$3m) of provision movements and (\$2m) of share based payments expense.
4. Note that no acquisition accounting entries have been included in the above pro forma financial metrics. The pro forma financial metrics exclude the impact of transaction and integration costs
5. The above table is illustrative only and the pro forma financial metrics included have not been subject to a detailed review / comparison of the accounting policies of the respective companies. SocietyOne income statement and balance sheet line items have been reclassified into the line items used by MoneyMe on an illustrative basis
6. Note that SocietyOne has recently changed its reporting year end from December to June. As a result of this change, the financial statements for the six months to 30 June 2021 have been subject to an audit with the previous audit period covering the 12 months to 31 December 2020.

The final number of Consideration Shares to be issued will depend on the elections made by the SocietyOne shareholders, but will be no less than 69,593,540 MoneyMe Shares (assuming elections are made in respect of 92.5% of the total number of SocietyOne Shares on issue) and no more than 75,236,259 MoneyMe shares (assuming elections are made in respect of all of the SocietyOne Shares on issue). As at 17 December 2021, being the date of announcement of the Acquisition, elections to receive Scrip Consideration have been received in respect of 78% of the total number of SocietyOne Shares on issue.

The issue of the maximum number of Consideration Shares will represent approximately 30.5% of the Company's total issued Shares immediately following Completion.

Based on the MoneyMe Share price of \$1.76 as at the close of trading on ASX on 16 December 2021 and assuming all SocietyOne shareholders were to elect to receive MoneyMe Shares, the Acquisition implies an equity value of approximately A\$132 million for SocietyOne and is expected to be accretive to the Company on a revenue per share basis in FY23, based on the market consensus FY23 revenue forecasts of equities research analysts covering MoneyMe.

(b) Conditions Precedent

The Acquisition is subject to a number of conditions precedent being satisfied or waived on or by Completion, including but not limited to:

- (i) **(MoneyMe Shareholder approval)** MoneyMe Shareholders approve Resolution 1 at the EGM by ordinary resolution;
- (ii) **(No restraints)** No legal or regulatory restraints prohibiting or impeding Completion;

- (iii) **(No SocietyOne adverse events)** No SocietyOne Material Adverse Change or SocietyOne Prescribed Occurrence occurring prior to Completion;
- (iv) **(No MoneyMe adverse events)** No MoneyMe Material Adverse Change or MoneyMe Prescribed Occurrence occurring prior to Completion;
- (v) **(MoneyMe Share price underperformance)** On no day in the period between the day that is 10 Business Days after the date of the MIA and the Business Day before Completion are the following three requirements all satisfied for the previous 10 consecutive Business Days:
 - (A) the MoneyMe VWAP on ASX over the 10 prior Business Days (subject to adjustments for a capital raising) **(MoneyMe VWAP)** has closed (on ASX) at a level that is at least 25% lower than the base MoneyMe VWAP (calculated as the VWAP of MoneyMe shares over the 15 Business Days immediately prior to the date of the MIA); and
 - (B) the MoneyMe VWAP movement is at least 25 percentage points lower than the average percentage movement of the VWAP of certain listed peers of MoneyMe (subject to adjustments for any corporate actions and any exclusions to the peer group) over the same reference period; and
 - (C) the MoneyMe VWAP movement is at least 25 percentage points lower than the movement in the S&P/ASX 300 Index over the same reference period;
- (vi) **(MoneyMe acquiring 100% of SocietyOne)** pre-emptive rights, tag along rights and drag along rights outlined in a shareholders agreement between SocietyOne shareholders being complied with and completed, and all SocietyOne convertible securities and other securities being dealt with, so as to ensure MoneyMe acquires 100% of SocietyOne on Completion;
- (vii) **(Minimum MoneyMe scrip election)** SocietyOne Shareholders holding at least 92.5% of all SocietyOne shares electing to receive Consideration Shares;
- (viii) **(Consents)** receipt of certain counterparty consents, approvals, waivers or confirmations; and
- (ix) **(SocietyOne Cash balance)** SocietyOne's unrestricted cash balance on Completion being at least \$5 million.

Either the Company or SocietyOne has the right to terminate the Merger Implementation Agreement if Completion has not occurred by 31 March 2022 due to failure of a condition precedent on which the relevant party may rely being satisfied (unless waived by that party).

(c) **Other key terms**

The following is a summary of some other key terms relating to the Acquisition:

- **(Parties)** The MIA has been entered into by MoneyMe, SocietyOne and SocietyOne Shareholders representing 79% of the SocietyOne Shares on issue.
- **(Acquisition)** Under the MIA, MoneyMe will acquire 100% of SocietyOne's shares (including all securities convertible into SocietyOne shares) for consideration that, depending on the elections made by the SocietyOne shareholders, will result in outcomes including:

	92.5% of SocietyOne shares choose MoneyMe scrip	96.25% of SocietyOne shares choose MoneyMe scrip	100% of SocietyOne shares choose MoneyMe scrip
Total number of MoneyMe shares to be issued	69,593,540	72,414,899	75,236,259
Cash Consideration payable by SocietyOne	\$9.7 million	\$4.9 million	Nil

- **(Conduct of business)** SocietyOne and MoneyMe must each conduct their businesses in the ordinary course pending Completion.
- **(Obligation to recommend Resolution 1)** in the absence of a Superior Proposal:
 - the MoneyMe Board must unanimously recommend that MoneyMe Shareholders vote in favour of Resolution 1; and
 - subject to certain exceptions, no MoneyMe Director may change, withdraw, modify or qualify his or her recommendation or make a statement that is inconsistent with this recommendation.
- **(Exclusivity)** During the Exclusivity Period, MoneyMe must not, and must ensure its representatives do not, directly or indirectly:
 - solicit, invite, encourage or initiate (the ‘no shop’);
 - participate in or continue negotiations or discussions (the ‘no talk’); or
 - disclose or otherwise provide any non-public information (the ‘no due diligence’),

with respect to a Competing Proposal, or which would reasonably be expected to encourage or lead to, a Competing Proposal. However, MoneyMe is not required to comply with its obligations under the ‘no talk’ and ‘no due diligence’ provisions in the MIA in relation to a bona fide Competing Proposal where the MoneyMe Board, acting in good faith, determines, after consultation with its financial adviser, that the Competing Proposal is, or could reasonably be considered to become, a Superior Proposal, and after receiving advice from its external legal adviser, that failing to take the action or refuse to take the action (as the case may be) with respect to the Competing Proposal would, or would be reasonably likely to, constitute a breach of the MoneyMe director’s fiduciary or statutory duties.

- **(MoneyMe Break Fee)** MoneyMe must pay a break fee of 1% of the MoneyMe value at signing the MIA if:
 - both of the following occur:
 - a MoneyMe director withdraws or adversely modifies its recommendation that MoneyMe Shareholders vote in favour of Resolution 1, other than as a result of:

a requirement or request by a court or regulatory authority that the MoneyMe director abstain or withdraw from making the recommendation;

failure of a condition precedent in favour of MoneyMe, other than as a result of a breach by MoneyMe; or

MoneyMe being entitled to terminate the MIA; and

- the MoneyMe Shareholders do not vote in favour of Resolution 1; or
- MoneyMe must pay a break fee of \$1.57m if SocietyOne terminates the MIA due to a MoneyMe Material Adverse Change or Prescribed Occurrence.
- **(SocietyOne Break Fee)** SocietyOne must pay a break fee of \$1.57m to MoneyMe if:
 - any SocietyOne Shareholder exercises its rights of pre-emption under the SocietyOne shareholders agreement; or
 - MoneyMe terminates the MIA for breach; or
 - MoneyMe terminates the MIA due to a failure of certain conditions precedent in favour of MoneyMe, including a SocietyOne Material Adverse Change or Prescribed Occurrence.
- **(Termination)** MoneyMe and the SocietyOne Sellers have rights to terminate the MIA as follows:
 - if there is a material breach of the MIA by the other party, they have given notice and details of the breach, and the relevant circumstances continue to exist for 10 business days from the date of notice;
 - in certain circumstances where there is an event or occurrence that would, or does, prevent a condition precedent being satisfied, which is not waived and, after consulting in good faith, the parties are unable to reach an agreement to implement the transaction by alternative means;
 - MoneyMe may terminate if the MoneyMe Board changes, withdraws or modifies its recommendation of Resolution 1 because MoneyMe receives a Competing Proposal and a MoneyMe director determines that the Competing Proposal constitutes a Superior Proposal; and
 - the SocietyOne Sellers may terminate if the MoneyMe Board adversely change or withdraws its recommendation of Resolution 1 or recommends or supports a Competing Proposal.

Voluntary escrow arrangements for the Consideration Shares

Certain SocietyOne Shareholders who elect to receive MoneyMe Shares in consideration for the transfer of their SocietyOne Shares have elected to or will elect to enter into voluntary escrow arrangements with the Company under which they will be restricted from dealing with their Consideration Shares until the start of the third trading day after the date on which the Company releases MoneyMe's 1HFY23 financial results to the ASX. At the date of this Explanatory Memorandum, SocietyOne Shareholders who will on Completion together hold up to a maximum of 60% of the Consideration Shares, have elected to be escrowed. The number of escrowed MoneyMe shares will comprise 18.3% to 18.7% of the MoneyMe Share register post Completion, depending on the level of Scrip Consideration elections.

There are limited circumstances in which the Consideration Shares may be released from escrow prior to the prescribed times set out above, which are materially consistent with the exceptions contained in the voluntarily escrow deeds entered into at the time of MoneyMe's IPO and ASX listing in 2019.

2.2 Background to Resolution 1

Resolution 1 seeks Shareholder approval pursuant to ASX Listing Rule 7.1 for the issue of the Consideration Shares to the SocietyOne Shareholders in connection with the acquisition of SocietyOne, of which further detail is set out above in section 2.1 of this Explanatory Memorandum.

The Company is seeking Shareholder approval for Resolution 1 for the purposes of ASX Listing Rule 7.1 and in order to satisfy the shareholder approval condition precedent under the Merger Implementation Agreement. The Company will only issue the Consideration Shares if all conditions precedent under the Merger Implementation Agreement are satisfied or waived in accordance with the terms and conditions of the Merger Implementation Agreement.

2.3 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The agreement to issue the Consideration Shares under the Proposed Transaction does not fall within any of the exceptions to ASX Listing Rule 7.1 in ASX Listing Rule 7.2 and exceeds the 15% limit in ASX Listing Rule 7.1. The issue of the Consideration Shares therefore requires the approval of Shareholders for the purposes of ASX Listing Rule 7.1.

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Consideration Shares and proceed with the Acquisition. In addition, the issue of the Consideration Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Consideration Shares and accordingly will not be able to proceed with the Acquisition. Shareholder approval for the issue of the Consideration Shares is a condition precedent to completion of the Acquisition.

2.4 Information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 1:

The names of the persons to whom the Company will issue the securities or the basis upon which those persons will be identified or selected	The Consideration Shares will be issued to SocietyOne Shareholders.
The number and class of securities that the Company will issue	The maximum number of Consideration Shares to be issued is 75,236,259 MoneyMe Shares.
If the securities are not fully paid ordinary securities, a summary of the material terms of the securities	The Consideration Shares will be fully paid ordinary shares in the capital of the Company ranking equally with existing Shares from their date of issue. However, certain SocietyOne Shareholders have elected to or will elect to enter into voluntary escrow arrangements with the Company, under which they will be restricted from dealing with their

	Consideration Shares, the terms of which are set out above in section 2.1 of this Explanatory Memorandum.
The date by which the Company will issue the securities	If Shareholders approve Resolution 1, the Company expects to issue the Consideration Shares to the SocietyOne Shareholders on Completion, which the Company expects to occur on or around 15 March 2022, but in any event by no later than 3 months after the date of the Extraordinary General Meeting.
The price or other consideration the Company will receive for the securities	The Consideration Shares will be issued at an issue price equal to the Company's share price at Completion
The purpose of the issue, including the intended use of funds raised by the issue	The Consideration Shares are being issued in connection with the acquisition of SocietyOne under the Merger Implementation Agreement. No funds will be raised from the issue of the Consideration Shares.
If the securities are being issued under an agreement, a summary of the material terms of the agreement	Refer to section 2.1 of this Explanatory Memorandum.

2.5 Board recommendation

It is the view of the Directors that the Acquisition is in the best interests of Shareholders and the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 in the absence of a Superior Proposal.

Each Director who is entitled to vote on Resolution 1 at the Extraordinary General Meeting has indicated that they intend to vote in favour of Resolution 1 in respect of all Shares they own or control in the absence of a Superior Proposal.

2.6 Voting exclusion statement

A voting exclusion statement with respect to Resolution 1 is included in the Notice of Meeting.

3 Resolution 2 – Ratification of issue of Warrants

3.1 Background to Resolution 2

On 27 September 2021, MoneyMe announced that it had formed a strategic funding partnership with Pacific Equity Partners (**PEP**) and secured an initial \$50m funding commitment from funds administered by PEP under a Syndicated Facility Agreement (**SFA**). To align lender and Shareholder returns, the terms of the SFA provide for an additional coupon to be activated when MoneyMe's market valuation appreciates, with the maximum coupon being 4.5% where market valuation increases by 45% or more since entry into the SFA.

The SFA provided for the issue of warrants to PEP, which are able to be settled by PEP at any time during the SFA term through the issuance of new MoneyMe Shares (up to a maximum 5 million Shares, (which represented approximately 3.4% of MoneyMe Shares on issue at the time of the announcement), with the actual number of MoneyMe shares to be determined by dividing the redemption amount by a VWAP) or in cash.

On 2 November 2021 MoneyMe issued 5,000,000 Warrants (**Warrants**) in accordance with the SFA. The issue of the Warrants did not require Shareholder approval as the maximum number of MoneyMe Shares to be issued on conversion of the Warrants was within the Company's 15% limit under ASX Listing Rule 7.1.

3.2 ASX Listing Rules 7.1 and 7.4 and purpose of Resolution 2

The general effect of ASX Listing Rule 7.1 is described above in Resolution 1.

The issue of the Warrants does not fit within any of the exceptions to ASX Listing Rule 7.1 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the date on which the Warrants were issued.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

If Resolution 2 is not passed, the issue of the Warrants will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities MoneyMe can issue without Shareholder approval over the 12 month period following the issue date of the Warrants.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. To this end, Resolution 2 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Warrants.

3.3 Information required by ASX Listing Rule 7.5

For the purposes of ASX Listing Rule 7.5, the following information is provided to Shareholders:

The names of the persons to whom the Company issued the securities or the basis upon which those persons were identified or selected	Funds administered by Pacific Equity Partners.
The number and class of securities the Company issued	5,000,000 Warrants
Summary of the material terms of the Warrants	The Warrants entitle PEP, on exercise, to a maximum of 5 million fully paid ordinary shares in the capital of MoneyMe issued on the same terms and conditions as MoneyMe's existing Shares. They were exercisable at any time during the term of the SFA, as described in MoneyMe's announcement to ASX on 27 September 2021
The date on which the securities were issued	2 November 2021
The price or other consideration the Company has received for the issue	Nil cash consideration. The Warrants were issued in accordance with the terms of the facility described in the Company's announcement to ASX on 27 September 2021

The purpose of the issue, including the use or intended use of the funds raised by the issue	The warrants were issued in connection with the provision of a facility by PEP to MoneyMe, the proceeds of which are being used to fund acceleration of growth across MoneyMe's product suite and to repay MoneyMe's A\$22m secured notes

3.4 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

3.5 Voting exclusion statement

A voting exclusion statement with respect to Resolution 2 is included in the Notice of Meeting.
