1. Purpose

MoneyMe Limited (MONEYME) recognises that shareholders and other stakeholders are entitled to be informed in a timely and readily accessible manner of all major developments affecting MONEYME.

The purpose of this shareholder communications policy is to promote effective communication with shareholders and other stakeholders and to encourage and facilitate participation at MONEYME's general meetings and dealing promptly with the enquiries of shareholders and other stakeholders.

2. Methods of Communication

Information is provided to shareholders and other stakeholders through, but is not limited to:

1. releases to the Australian Securities Exchange (ASX) in accordance with continuous disclosure obligations;
2. the corporate and investor sections of MONEYME's website;
3. MONEYME's annual and half-yearly reports; and
4. the annual general meeting (AGM).

MONEYME encourages shareholders to receive company information electronically by registering their email address online with MONEYME's share registry.

3. ASX releases

MONEYME will make announcements to the ASX in a timely manner in accordance with the ASX Listing Rules (see also MONEYME's Disclosure Policy).

All announcements made to the ASX are available to shareholders:

1. under the investor section of MONEYME's website; or
2. under the company announcements section of the ASX website.

4. MONEYME's website

The investor section of MONEYME's website is the primary medium of providing information to all shareholders and stakeholders. It has been designed to enable information to be accessed in a clear and readily accessible manner.

The corporate section of MONEYME's website will provide governance-related information including details of the Board of MONEYME (Board) and senior management team and copies of MONEYME's Board committee charters and company policies.

The investor section of MONEYME's website will contain information relevant to shareholders and stakeholders including statements lodged with the ASX by MONEYME (including all financial results and annual reports), press releases and other material relevant to MONEYME shareholders.

5. Annual general meeting

The AGM provides an important opportunity for MONEYME to provide information to its shareholders and a reasonable opportunity for informed shareholder participation. At the AGM, shareholders can express their views to the Board and management and vote on the Board's proposals. All shareholders are encouraged to attend and participate at the AGM.

The date, time and location of the AGM will be provided in the notice of meeting, in the annual report and on MONEYME's website.

Where practicable, MONEYME will consider the use of technological solutions for encouraging shareholder participation at meetings (which may include, for example, live webcasting of meetings, holding meetings across multiple venues linked by live telecommunications and hybrid meetings).

The notice of meeting and proxy form will be distributed to all shareholders prior to the AGM in the timeframe and in the manner set by the Corporations Act and will be available on MONEYME's website.

MONEYME's auditor attends its AGM and is available to answer any questions regarding the conduct of and any issues arising from the audit or the preparation and content of the auditor's report.
